Brethren in Christ!

My warmest regards in Jesus Christ, and my family send greetings as well. Brethren with me are all happy in the Lord. We hope you are all fine. It is my pleasure to write you this report .

#WORK

Lord's works is progressing well with a quite number of new members being added to the Lord's Church. It's all as a result of intensive evangelism hut to hut and additional from invitation from 2 schools every Monday and Wednesday's I was given a good opportunity to teach guidance and counseling at this neighborhood schools and I’m happy because will use the opportunity to spread message for salvation.

SUNDAY SERVICES/WORSHIP

I managed to preach 3 times on main services 3 times Wednesday's ,Once Saturday and twice Tuesday’s

On Saturday's we continuing lessons with brethren at Mashindi church. Other churches I visit them Tuesday's and Wednesday's. This day's we are not doing Zoom classes because I'm meeting this brethren in morning also Our gatherings have been re-arranged . I reduced the number of traveling due to exploited budget. I lost one of my support recently , the church mentioned their budget is not allowing them to keep supporting preachers overseas and also my butchery wich was helping me shut down again by government until I fix it to the standards they want. So I'm now limited to travel due to insufficient support.
